

Frequently Asked Questions for Ogden International PTA Events

How much are wristbands?

Wristbands are \$5 each and are sold before and after school prior to the event, as well as at the event.

Who has to pay for a wristband?

Anyone who will be staying for the event needs to purchase a wristband. Children under 2 are free.

How will my Kindergartner know how to get to the event?

A PTA representative will escort the Kindergarten students to the cafeteria at dismissal.

What is the process for getting the 1st-5th grade students to the event?

If your child wears their wristband on Friday, they will be dismissed directly to the cafeteria. If they do not have a wristband with them, they will proceed to dismissal as usual. If you are accompanying your child, you can pick them up at your regular dismissal time and place and then enter the cafeteria together via the security desk. Wristbands and tickets will be on sale either just behind security or further along the corridor outside the interior cafeteria doors.

How can my child buy food and drink at the events?

Tickets are sold outside the cafeteria (or with your wristband before and after school) which are to be used to purchase food items.

How many tickets should I buy?

It is up to you! Hot dogs, pizza and ice cream are 2 tickets; drinks, chips, cookies, ice pops, etc. are 1 ticket. Tickets are \$1 each.

What are the rules and safety requests?

1. You may not exit through the cafeteria doors to the playground.
2. Kids should remain in the cafeteria until the event ends
3. 3 kids in the bathroom at one time (max)
4. No running or climbing on tables
5. Kids should tidy up after themselves!
6. Kids should have fun!!!

What is security like at the PTA events?

The cafeteria doors to the playground are closed at all times (please help us enforce this rule if you are there!). All students must exit the school via the security desk. The kids are told to stay in the cafeteria itself and we (typically) allow 3 students access to the bathrooms at the same time. *Although we do try to enforce these rules, we are not able to watch all the kids all the time. If you have any doubts about your child's ability to follow these safeguards – please consider accompanying them and helping them (and us!) out with this.*

What is the process if my child attends J @ School?

J @ School will send out an email prior to every PTA event. **Students that are registered to attend J @ School on the day of a PTA event will come directly to J @ School.** J @ School will check in students coming to AfterSchool. Once the check-in process is complete, all J @ School students enter the event with J @ School staff members. When the PTA event is over, the students and J @ School staff will rejoin the rest of AfterSchool until they are picked up.

What happens if my child has trouble with the rules and safety requests?

We have never had a problem with this in the past, but if there is a persistent problem, events like this might not be the place for them!

Where can I get more information about the PTA and future events?

Please visit the school website: ogden.cps.edu. We are under “Organizations”.
