The Bilingual Advisory Committee and ESL program at Ogden had a successful school year and we are now looking ahead to how we can build upon this success next year. At East, the plan is to have an ESL designated classroom at each grade level, which puts us in full compliance with CPS and ISBE. We will also have a full time coordinator to help with leadership and organization of the ESL program. Our overarching goal is to deliver world class support to students who are learning the English language and infuse IB into the ESL program. Thank you for your support this year. We value the collaboration and will work to continuously improve the program at Ogden International.

(hoping for a venue of about 1,000 people. Dr. Beyer is proposing to charge a graduation fee for 8th grade and 12th grade students. Vote postponed pending further investigation into actual venue possibilities and costs.
