

Ogden International Weekly

February 15, 2017

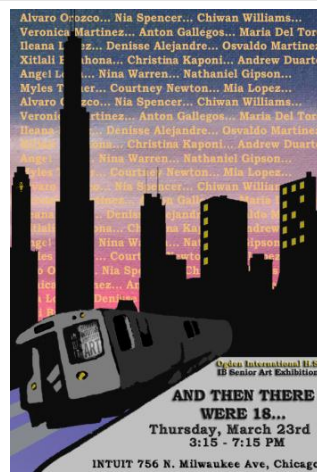

We All Live Here is a program that uses Art, Community, and Technology to instill hope and possibility into today's youth through installation of public art projects. Ogden International will work the *We All Live Here* project to develop & create an installation piece in the near future!

NATIONAL HONORS SOCIETY- The following students have been selected to be inducted into the National Honor Society. The ceremony will be in the auditorium on Thursday, February 23 at 5:30pm. All friends and family are welcome to come and celebrate these students' accomplishments!

SAVE THE DATE- *The IB Visual Arts Program exhibition will be held at INTUIT: The Center for Intuitive and Outsider Art. (Across the street from the CVS on Milwaukee Ave.) Come out and support these talented Ogden IB seniors!*

MANAGE STRESS & ANXIETY- Students can learn how to manage mild stress and anxiety on their own by using an online relief program called GoZen. This online tool follows the principle that emotional well-being can be cultivated through practice. They offer a suite of educational programs and tools designed to give parents and kids with essential life skills to manage anxiety and stress. For info go to: www.gozen.com. Parents should seek out medical care if daily functioning is impaired due to stress and anxiety. Contact Ogden counselors with any questions:

- HS Counselors: Mr. Padilla, apadilla1@cps.edu
 Ms. Witherspoon, jswitherspoon@cps.edu
 MS Counselor: Mr. Ribaldo, ndribaldo@cps.edu

OFF-CAMPUS LUNCH- To qualify for off-campus lunch they students must be juniors or seniors, and may not have any grades below "C" for the previous 5-week marking period. Students must also meet the school's behavioral expectations defined in the student handbook. Students on the Activities Ineligibility List are not eligible. A student must not have more than 3 tardies to 1st period or to the period following lunch.
